No. 4

HON. ANDREW RUSSEL.

The successful banker; high class business man; long and steadfast friend of the Colored race and Republican candidate for State Treasurer of Illinois.

Andrew Russel, candidate of the Republican party for Treasurer of Illinois, was born in Jacksonville, Illinois, on June 17th, 1856, and has spent all his busy life in this state. After receiving his education at the public schools and at Illinois College, Mr. Russel began a successful business career in 1874 as a book-keeper in the Jacksonville National Bank. He has been in the banking business ever since, and is now Vice-President of the Ayers National Bank of Jacksonville.

Mr. Russel has always been found to be clean, careful and unprejudiced,

standing fearless for justice to all men, and particularly interested in the moral, social and industrial uplift and advancement of the Colored race.

He is not a stranger to the voters of Illinois, having filled the office of State Treasurer from 1908 to 1910 to the entire satisfaction of the people. He gave the office his careful and personal attention, and during his term increased the net profits to the state almost 100 per cent. He is presented to the voters with entire confidence in his fitness, and there ought not to be the slightest doubt about his election.—Adv't.

HON. MARTIN B. MADDEN.

Warm Friend of the Afro-American Race and Republican Candidate for Re-election to Congress from the 1st Congressional District.

John Arthur Johnson, Champion Heavy Weight Prize Fighter Of The World.

BATTLES DAY AND NIGHT WITH THE MINIONS OF THE LAW WHO LIKE A PACK OF WOLVES ARE HOT AFTER HIM IN MANY DIRECTIONS AT THE SAME TIME.

A LITTLE BRAINLESS GIMLET-HEADED ALDERMAN WHO WAS ELECTED TO THE CITY COUNCIL FROM THE TWENTY FIRST WARD BY THE AID OF ITS COLORED VOTERS.

INTRODUCED AND HAD PASSED BY THAT BODY A RESOLUTION CALLING ON MAYOR HARRISON TO REVOKE THE SALOON LICENSE OF THE WORLD'S CHAMPION.

THIS LITTLE NAMELESS DEMOCRATIC ALDERMAN WHO HALES FROM THE SOUTH DOES NOT POSSESS SENSE ENOUGH TO KNOW THAT HE WAS SLAPPING AT A DEMOCRATIC CITY ADMINISTRATION.

MANY OF THE MOST REPRESENTATIVE AFRO-AMERICAN CITIZENS MET AT THE APPOMATTOX CLUB WEDNESDAY EVENING.

JACK JOHNSON BEING PRESENT EMPHATICALLY AND UNQUALIFIEDLY DENIED THAT HE HAD EVER GAVE EXPRESSION TO THE STATEMENT THAT HE COULD BUY WITH HIS MONEY OR GET ANY WHITE WOMAN HE WANTED OR MAKING ANY STATEMENT AT THAT TIME REFLECTING UPON THE WOMANHOOD OF ANY RACE.

THAT THAT BARE-FACED LIE WAS MANUFACTURED OUT OF WHOLE CLOTH BY SOME OF THE DAILY NEWSPAPERS IN THIS CITY FOR THE SOLE PURPOSE OF STIRRING UP RACE PREJUDICE BETWEEN THE RACES IN CHICAGO AND UNSETTLING THE FRIENDLY RELATIONS EXISTING BETWEEN THEM.

JOSEPH LEVY A MEMBER OF THE WHITE RACE HEARD EVERY WORD OF THE CONVERSATION BETWEEN MRS. CAMERON AND MR. JOHNSON AT THAT TIME AND HE CORROBORATED HIS STATEMENT.

CHAIRMAN BEAUREGARD F. MOSELY SELECTED, LOUIS B. ANDERSON DR. GEORGE C. HALL, EDWARD H. WRIGHT, JULIUS F. TAYLOR AND GEORGE W. ELLIS TO PREPARE A STATEMENT FOR THE PRESS AND THE PUBLIC ON THE JOHNSON EPISODE.

BOOKER T. WASHINGTON SENT TO THE MAT BY CHAMPION JACK WHO DECLARED: "THAT THE GREAT WIZARD OF TUSKEGEE WAS BEATEN UP IN NEW YORK CITY FOR PEEPING INTO THE WRONG KEYHOLE AND ATTEMPTING TO ENTER THE WRONG FLAT OCCUPIED BY A WHITE LADY."

It is not our intention, of elaborating in every particular, on all the phases of the supposed troubles of Mrs. F. Cameron-Falconet, of Minneapolis, Minn., and her easy attempt, to secure or rescue, her daughter Lucile Cameron, from the custody as she calls it, of John Arthur Johnson, the heavy weight prize fighter of the world, and her appeal to the White portion of the United States, to aid her to protect her daughter and to prevent her from permanently falling down or forward under his evil influences.

It has never occurred to Mrs. Cameron, that there are three classes of people in this country and only three who have absolute protection; namely, White women, whether their characters are good or bad. White men and Colored women in the Southern states and other sections of the country who consort with White men; not with the honorable intention of marrying; but simply to satisfy their beastly passions.

These three classes of Americans are supreme under the laws of the land. For White women will shoot White men down in cold blood, on the slightest provocation. Then they are set at liberty by the courts and become the reigning queens of society and White men, are ever ready, to render their hands in the blood of any Negro, who attempts to wink at any White woman; it makes not the slightest difference how low she may be, in the scale of humanity and to end the life of any and every Negro, who attempts to associate with Colored women, that he desires to appropriate unto himself.

This is his idea of fairness and justice in America. In the case of Miss Lucile Cameron, being of age; she was in a position to protect herself from the advances of any and all men, if she had even been compelled to do so at the point of a revolver and the law would have upheld her in every way, in defending her virtue and honor.

Nothing will be said in these columns at this time, in relation to her pure or impure character; but according to the

daily press, since coming to this city to reside; she has attended high wine suppers and banquets at the Hotel Sherman in a party or parties of ten to twenty-five prominent and rich White men of this city, no Negro being present even as a waiter.

The daily papers refused to publish or at least they did not publish, the names of these prominent and rich White men, who put on the high wine supper stunt, presumably for the purpose of calling on them to shake them down for large sums of money in order to help to grease the machinery of their respective newspapers.

It appears that Miss Cameron, for several months resided at the Brevoort Hotel, which is a very expensive place to tarry in; and not being wealthy herself and seemingly not being employed at that time; it is hard for us to understand, how a beautiful young girl as she is, claimed to be, could put on so much style, and wear the finest and the most expensive duds; unless some one was putting up the money for her and who ever put it up, it was for no honorable purpose.

It further appears, that Miss Cameron, since becoming a resident of Chicago, has possessed an inclination to associate, not with the staid and pure minded class or members of her own race; but rather with its sporty element, and those who belong and frequent what is known as the "Under World", unmistakably proving that she is not a purified or White winged angel by any means, and according to our way of thinking, sporting men and women Black or White are all on the same level, and there is not a particle of difference, between them.

In view of all the foregoing it does seem to us that Mrs. Cameron displayed mighty poor judgment in adhering to the mad and wild method she resorted to in order to hold the weakness of her

JAMES T. McDERMOTT

Democratic candidate for re-election to congress from the Fourth Congressional District

At the congressional election in 1906 after a spirited contest, with Charles Wharton, the Hon. James T. McDermott, was elected to congress from the fourth congressional district. He was re-elected in 1908 and in 1910, each time with increased majorities, showing that he stands high in the estimation of the voters in his district, regardless of their race, color or nationality and that a large number of independent and progressive Republicans at each election, record their votes in his favor, feeling that he is plenty good enough, to represent them in the halls of Congress.

Congressman McDermott, not with any brass bands, in the past, diligently labored in Congress for the best interest of all the people, in his district, the six years that he has so faithfully

served them. This fact was largely manifested at the contest at the primaries last April.

At that time with two opponents in the field, he ran in under the wire away ahead of both of them, with a good healthy majority at his back.

Congressman McDermott, who always talks keen, sharp and right to the point; has in many ways in the past both in and out of Congress, shown his friendship for the Colored race, and we take much pleasure in stating, that many Afro-American voters in the Fourth Congressional district, as many of them supported him at the primaries; will on Tuesday, November 5th, assist, to re-elect him to Congress for the fourth term from the Fourth Congressional district, of Illinois.—Adv't.

WALTER E. SCHMIDT.

Member of the Board of Assessors, a Friend of the Small Tax-payers and Republican Candidate for Re-election to the Position He Occupies at the Present Time.
